Unity Game Development Course 2024

Łukasz Piwowar

Task 5

deadline: 10.I.2025

1. **[10 points]** Prepare a PDF file with a description of your final game project.
   You can create the final project yourself or with another person.
   Submit PDF file to the SKOS system and show it to me during the lab.

2. **[20 points]**
   Record three short (approcimately 30 seconds each) Full HD (1920x1080) videos
   showcasing the gameplay of your games:
   1. Gameplay from your first game
   2. Gameplay from your second game
   3. A video after "juicing" your game

   You can use the free OBS software to record your screen with sound.
